FOR IMMEDIATE RELEASE

## **G7 Named Employer of the Year**

San Diego, CA--May 1, 2006--G7 Productivity Systems, Inc., maker of VersaCheck® software received top honors as Employer of the Year at the 2006 Cerebral Palsy Annual Conference in Little Rock Arkansas this past weekend. This award is given to a business or voluntary agency that has made an outstanding contribution to employing people with physical disabilities or who have provided training programs leading to employment and have created a better working environment for people with disabilities.

G7 has been recognized for their continued commitment to the community by providing a work training and employment site for the United Cerebral Palsy Association here in San Diego. G7 has had a partnership with the Cerebral Palsy Association of San Diego for the past 8 years, and always keeps positions open that are specifically tailored for these individuals.

This program has helped individuals with Cerebral Palsy gain independence, receive training and support, learn new work skills, and earn a paycheck while being employed at G7. In turn, G7 has been able to offer a continuous amount of projects to these hard working individuals, and feel a sense of accomplishment being able to give to the community.

### **About United Cerebral Palsy**

United Cerebral Palsy is one of the nation's leading organizations serving and advocating for the more than 54 million Americans with disabilities. Most UCP consumers are people with disabilities other than cerebral palsy. Through its nationwide

network, United Cerebral Palsy offers services to individuals, families and communities such as job training and placement, physical therapy, individual and family support, early intervention, social and recreation programs, community living, state and local referrals, and instruction on how to use technology to perform everyday tasks. For more information, visit [www.ucp.org](http://www.ucp.org) or call (800) 872-5827.
