FOR IMMEDIATE RELEASE

G7 Launches VersaCheck 2007 for Quickbooks®

San Diego, CA--July 3, 2006--G7 Productivity Systems, maker of VersaCheck software announces a new line of software exclusively for use with QuickBooks®. This software allows all Quickbooks® users the ability to experience dramatic savings by not having to use costly preprinted check stock!

By integrating VersaCheck 2007 for Quickbooks®, with any existing Quickbooks® software, the user can quickly and seamlessly integrate check printing between the two programs. This feature automatically intercepts and reformats data from Quickbooks® to print on fully customizable blank check paper. This software also allows the user the ability to eliminate the hassle of ordering, storing or discarding out of date checks.

VersaCheck 2007 for Quickbooks® works with any laser and inkjet printer and supports any printer directly from the Quickbooks® printer dialog panel. The setup is quick, and it only takes seconds to make changes to your bank account information with an easy to use wizard. VersaCheck 2007 for Quickbooks® software also allows for consistent alignment of check forms and data printed from Quickbooks® with 100% accurate check numbering.

Currently, VersaCheck 2007 for Quickbooks® is available at most retail outlets including Office Depot and Fry's. Also, visit www.g7ps.com for a complete list of innovative software, printers and ink products utilizing new 4X Life Inkjet Cartridge Technology.
